- Certify if this is an Annual Contribution Education Savings Account, **that the student is less than 18 years old or is a Special Needs Student** and all contributions made on student's behalf to this or any other Education Savings Accounts do not exceed \$2,000 in a single tax year. If this is a Transfer or Rollover of an existing Education Savings Account, the undersigned certifies that the student is less than 30 years old or is a Special Needs Student.

Upon reaching the age of majority in the state in which the student then resides, the student may advise the custodian in writing (accompanied by such supporting documentation as the custodian may require) that he or she is assuming sole responsibility to exercise all powers and duties associated with the administration of the account. Absent such written notice by the student, custodian shall have no responsibility to acknowledge student's exercise of such powers and duties of administration.
- Certify that I have received and read the current prospectus of the Fund(s) in which I am investing. I understand Janus Henderson reserves the right not to correct errors not brought to the company's attention within a reasonable time period. I understand that anyone who can properly identify my account(s) may be able to make telephone transactions on my behalf.
- Authorize the Fund and its agents to issue credits to and make debits from the bank account information set forth on this application. I agree that Janus Henderson shall be fully protected in honoring any such transaction. I also agree that Janus Henderson may make additional attempts to debit/credit my account if the initial attempt fails and that I will be liable for any associated costs. I agree that if I submit bank information for a bank that does not participate in the Automated Clearing House (ACH) or provide information for a nonbank account, Janus Henderson will price my purchase at the net asset value next determined after Janus Henderson receives good funds. All account options selected will become part of the terms, representations and conditions of this application.

**Remember to sign on the last page**

## Step 11 - (continued)

- Consent to the 'householding' delivery of any fund prospectuses, shareholder reports or other documents (except transaction confirmations and account statements) that I am required, by law, to receive. This means Janus Henderson will generally deliver a single copy of most annual and semiannual reports, prospectuses, and newsletters to investors who share an address, even if the accounts are registered under different names. My participation in this program will continue indefinitely unless I contact Janus Henderson.
- **Important Note:** To help the government deter terrorism funding and money laundering activities, all financial institutions are required to obtain, verify and record information that identifies each person who opens an account. So that we may comply with these requirements, we ask you to please complete Steps 1-3 in their entirety when opening an account with Janus Henderson. The omission of this information will result in the return of your application and investment. Please note that your ability to perform transactions in your account may also be affected or otherwise delayed if Janus Henderson cannot easily verify the accuracy of the required information in Steps 1-3. INVESTORS

Foreign securities are subject to additional risks including currency fluctuations, political and economic uncertainty, increased volatility, lower liquidity and differing financial and information reporting standards, all of which are magnified in emerging markets.

Increased portfolio turnover may result in higher expenses and potentially higher net taxable gains or losses.

Derivatives can be highly volatile and more sensitive to changes in economic or market conditions than other investments. This could result in losses that exceed the original investment and may be magnified by leverage.

Real estate securities, including Real Estate Investment Trusts (REITs) may be subject to additional risks, including interest rate, management, tax, economic, environmental and concentration risks.

Growth stocks are subject to increased risk of loss and price volatility and may not realize their perceived growth potential.

There are special risks associated with selling securities short. Stocks sold short have the potential risk of unlimited losses.

Initial Public Offerings (IPOs) are highly speculative investments and may be subject to lower liquidity and greater volatility. Special risks associated with IPOs include limited operating history, unseasoned trading, high turnover and non-repeatable performance.

High-yield or "junk" bonds involve a greater risk of default and price volatility and can experience sudden and sharp price swings.

Fixed income securities are subject to interest rate, inflation, credit and default risk. The bond market is volatile. As interest rates rise, bond prices usually fall, and vice versa. The return of principal is not guaranteed, and prices may decline if an issuer fails to make timely payments or its credit strength weakens.

Concentrated investments in a single sector, industry or region will be more susceptible to factors affecting that group and may be more volatile than less concentrated investments or the market as a whole.

Investing involves market risk; principal loss is possible. Equity and fixed income securities are subject to various risks including, but not limited to, market risk, credit risk and interest rate risk.

Diversification neither assures a profit nor eliminates the risk of experiencing investment losses.

Performance of the Global Allocation Funds depends on that of the underlying funds. They are subject to the volatility of the financial markets. Because Janus Capital Management is the adviser to the Fund and to the underlying affiliated funds held within the Fund, it is subject to certain potential conflicts of interest.

The Morningstar Rating™ for funds, or "star rating", is calculated for funds with at least a three-year history. Exchange-traded funds and open-ended mutual funds are considered

a single population for comparative purposes. It is calculated based on a Morningstar Risk-Adjusted Return measure that accounts for variation in a fund's monthly excess performance, placing more emphasis on downward variations and rewarding consistent performance. The Morningstar Rating does not include any adjustment for sales loads. The top 10% of funds in each category receive 5 stars, the next 22.5% receive 4 stars, the next 35% receive 3 stars, the next 22.5% receive 2 stars, and the bottom 10% receive 1 star. The Overall Morningstar Rating for a fund is derived from a weighted average of the performance figures associated with its three-, five-, and 10-year (if applicable) Morningstar Rating metrics. Ratings may vary by share class.

Funds were selected based on a 4 or 5 star Overall Morningstar Rating™. Janus Henderson has other funds ranked/rated lower by Morningstar.

**Ratings and/or rankings do not indicate positive performance.**

As of 6/30/20, Janus Henderson Balanced Fund Class D Shares Morningstar Ratings™ in the Allocation--50% to 70% Equity category: 5 stars out of 636 funds, 5 stars out of 558 funds and 5 stars out of 412 funds, for the 3-, 5-, and 10-year periods, respectively.
