

## 2018 Janus Henderson Estimated Per Share Distribution Amounts

The Janus Henderson final year-end distribution estimates to be paid in December 2018 are shown below.

Please note that these estimates were prepared using income and capital gain amounts through **November 12, 2018**. The distribution amounts may change, perhaps significantly, for the following reasons:

1. The funds are required to distribute capital gains recognized through October 31, 2018. The dividend estimates include income through November 12<sup>th</sup> plus estimated income for November 13<sup>th</sup> through December 31<sup>st</sup>. Actual income from November 13<sup>th</sup> through December 31<sup>st</sup> may differ from the income estimated.
2. The total number of shares which will receive the distribution will change, perhaps significantly.

The regular monthly dividend for the Janus Henderson fixed income funds, the Janus Henderson Value Plus Income Fund, the Janus Henderson Global Income Managed Volatility Fund, and the Janus Henderson Strategic Income Fund is payable on December 31, 2018.

The funds intend to distribute the maximum amount of dividends qualifying for the 15% rate allowable under the law. Estimates of the qualifying percentage are not yet available.

Please note that Funds that have invested in real estate investment trusts (REITs) during the current tax year may potentially recharacterize some of their income distributions as return of capital. If applicable, the recharacterization may occur in February following the current tax year.
