

2024 Janus Henderson ETF Preliminary Estimated Per Share Distribution Amounts

Attached are the preliminary year-end per share distribution estimates for the Janus Henderson ETFs. The quarterly paying ETFs will be payable on December 27, 2024 to shareholders of record on December 20, 2024. The monthly paying ETFs will be payable on December 30, 2024 to shareholders of record on December 23, 2024.

Please note that these estimates were prepared using income and capital gain amounts through **September 30, 2024**. The distribution amounts may change, perhaps significantly, for the following reasons:

1. The funds are required to distribute capital gains recognized through October 31, 2024. The funds may realize additional capital gains and losses during the period October 1st through October 31st.
2. The funds are required to distribute income earned through December 31, 2024. The dividend estimates include income through September 30th. They do not include estimates of income during the period October 1st through December 31st which will also be distributed in December 2024.
3. The total number of shares which will receive the distribution will change, perhaps significantly.

The funds intend to distribute the maximum amount of dividends qualifying for the 15% rate allowable under the law. Estimates of the qualifying percentage are not yet available.

Please note that Funds that have invested in real estate investment trusts (REITs) during the current tax year may potentially recharacterize some of their income distributions as return of capital. If applicable, the recharacterization may occur in February following the current tax year.
