

2021 Dividends Derived from U.S. Government Obligations

In some states, mutual fund dividends (ordinary income) derived from certain U.S. government obligations may be exempt from state income taxes. A portion of the dividends paid by Janus Henderson in 2021 may qualify for this exemption.

The table below provides the percentages of dividends (the amount reported in Box 1a of Form 1099-DIV) attributable to U.S. government obligations, direct and indirect, paid by Janus Henderson in 2021.

Please consult your tax advisor if you have questions about how or if you should report this information.

Please consider the charges, risks, expenses and investment objectives carefully before investing. For a prospectus or, if available, a summary prospectus containing this and other information, please call Janus Henderson at 800.668.0434 (or 800.525.3713 if you hold shares directly with Janus Henderson). You can also visit janushenderson.com/info (or janushenderson.com/reports if you hold shares directly with Janus Henderson). Read it carefully before you invest or send money.

Investing involves risk, including the possible loss of principal and fluctuation of value.

U.S. Treasury securities are direct debt obligations issued by the U.S. Government. With government bonds, the investor is a creditor of the government. Treasury Bills and U.S. Government Bonds are guaranteed by the full faith and credit of the United States government, are generally considered to be free of credit risk and typically carry lower yields than other securities.

For more detailed information about taxes, consult your tax attorney or accountant for advice.

Please consider the charges, risks, expenses and investment objectives carefully before investing. For a prospectus or, if available, a summary prospectus containing this and other information, please call Janus Henderson at 800.668.0434 (or 800.525.3713 if you hold shares directly with Janus Henderson). You can also visit janushenderson.com/info (or janushenderson.com/reports if you hold shares directly with Janus Henderson). Read it carefully before you invest or send money.

Investing involves risk, including the possible loss of principal and fluctuation of value.

U.S. Treasury securities are direct debt obligations issued by the U.S. Government. With government bonds, the investor is a creditor of the government. Treasury Bills and U.S. Government Bonds are guaranteed by the full faith and credit of the United States government, are generally considered to be free of credit risk and typically carry lower yields than other securities.

For more detailed information about taxes, consult your tax attorney or accountant for advice.
