

Index Committee Announcement

Janus Henderson Adaptive Market Leaders Index Family

March 26th, 2024

The Janus Henderson Index Committee announces that it has approved a minor update to the Index Methodology for the Janus Henderson Adaptive Market Leaders Index Family. Specifically, the Index Methodology replaces the SGI 5Y, 10Y and 20Y Bond Future Indices with the Solactive 5Y, 10Y and 30Y Treasury Future Indices after the calculation of the closing values of the indices on April 5th, 2023. An updated Index Methodology has been posted to the www.janushenderson.com/indices website.
