Index Committee Announcement

Janus Henderson Adaptive Market Leaders Index Family

March 13th, 2023

The Janus Henderson Index Committee announces that it has approved a minor update to the Index Methodology for the Janus Henderson Adaptive Market Leaders Index Family. Specifically, the Index Methodology replaces LIBOR reference rates with the Fed Funds Effective Rate after the calculation of the closing values of the indices on March 31st, 2023. An updated Index Methodology has been posted to the www.janushenderson.com/indices website.
