Investing involves risk, including the possible loss of principal and fluctuation of value.

Janus Henderson VIT Enterprise Portfolio is closed to certain new investors.

**Active Share** represents the portion of portfolio holdings that differ from an index. Active share is not an indicator of past or future performance. Higher active share may present increased risk of volatility and does not protect against loss.

Active share is for equity portfolios and is based on equity securities only. Fixed income securities and cash, if held in the funds, are excluded from the analysis.

Equity portfolios are defined as those Janus Henderson mutual funds with a primary investment strategy of investing in long positions of equity securities. Fixed income, asset allocation and alternative focused funds are excluded.

**MSCI All Country World ex USA Index<sup>SM</sup>** reflects the equity market performance of global developed and emerging markets, excluding the U.S.

**MSCI All Country World Information Technology Index<sup>SM</sup>** reflects the performance of information technology stocks from developed and emerging markets.

**MSCI World Index<sup>SM</sup>** reflects the equity market performance of global developed markets.

**Russell 1000® Growth Index** reflects the performance of U.S. large-cap equities with higher price-to-book ratios and higher forecasted growth values.

**Russell Midcap® Growth Index** reflects the performance of U.S. mid-cap equities with higher price-to-book ratios and higher forecasted growth values.

**Russell Midcap® Value Index** reflects the performance of U.S. mid-cap equities with lower price-to-book ratios and lower forecasted growth values.

**S&P 500® Index** reflects U.S. large-cap equity performance and represents broad U.S. equity market performance.
